

DANTE GIULIANO BARTOLI

ProMare, Inc.
Consultant, US-Italy Research Program
E-mail: dante@promare.org

EDUCATION

- *Texas A&M University*, College Station, (USA). Ph.D. in Anthropology with a Major in Nautical Archaeology. Dissertation Title: “Marble Transport in the Time of the Severans: A New Analysis of the Punta Scifo A Shipwreck at Croton, Italy.” August 9, 2008.
- *Università Statale degli Studi*, Milan, (Italy). B.A. in Greek and Latin Literature. Thesis Title : “History of the Collecting of Apulian Pottery in Northern Italy. From the Wonderrom of Marco Mantova Benavides to the Modern Rediscovery of Magna Graecia.” March 22, 1999.
- *High School of Classical Studies “Giuseppe Parini,”* Milan, (Italy). Baccalaureate in Classical Literature. July 15, 1993.

PROFESSIONAL EXPERIENCE

- 2008-present ProMare Inc. Consultant for the US-Italy Research Program.
- 2002-2008 Institute of Nautical Archaeology Research Associate. Approved to conduct and direct research in Italy under the Institute’s name. Directed the organization, funding and management of four consecutive years of archaeological fieldwork in three different cities in *Magna Graecia*: Croton, Caulonia, and Locri Epizephiri. Every season of research was carried out with the written permission and scientific supervision of the Italian Fine Arts Bureau.
- 2004-2005 Instructor, Department of Modern and Classical Languages, Texas A&M University. Taught two undergraduate level courses of Italian language and culture. Students Mean Evaluation: 4.94/5.00.
- 2002-2006 Graduate Research Assistant (Prof. Shelley Wachsmann); Department of Anthropology, Texas A&M University.
- 2000-2001 Employee; *Società Ricerca S.p.A.*, Milan. Italy. Responsible for data entry, database creation and management, customer satisfaction reports.
- 1999-2000 *Carabiniere Tutela Patrimonio Artistico*, Monza. Italy. Private working for Artistic Heritage Protection Special Unit of the Italian Army.

TEACHING

Texas A&M University (2003-2008):

- 2006-2007: Substitute Teacher, Anthropology 628 – New World Seafaring
(Prof. F. Castro)
- 2005-2006: Teacher, Italian 101 – Elementary Italian
(Students Mean Evaluation: 4.94/5.00).
- 2003-2006: Substitute Teacher, Anthropology 317 – Introduction to Biblical Archaeology
(Prof. S. Wachsmann)

ARCHAEOLOGICAL FIELDWORK

- 2010 Croton (Calabria, Italy). Field Director (for ProMare). Oversaw marine and coastal research projects based in Croton, Italy, in partnership with the *Soprintendenza per i Beni Archeologici della Calabria*. May 1-September 30, 2010. Scientific Director: Dr. Domenico Marino.
- 2009 Croton (Calabria, Italy). Field Director (for ProMare). Oversaw marine and coastal research projects based Croton, Italy in partnership with the *Soprintendenza per i Beni Archeologici della Calabria*. July 15-November 30, 2009. Scientific Director: Dr. Domenico Marino.
- 2009 Capraia Island (Tuscany, Italy). Field Co-Director (for ProMare). Oversaw the underwater archaeological campaign organized by the *Soprintendenza per i Beni Archeologici della Toscana* in the island of Capraia. A small testing trench was dug on the seafloor to better understand the nature of the cargo transported on board a second-century B.C. merchantman, and the possible presence of its hull. Period of operations: June 7-28, 2009. Scientific Director: Dr. Pamela Gambogi.
- 2009 Pianosa Island (Tuscany, Italy). Field Co-Director (for ProMare). Oversaw the underwater archaeological campaign organized by the *Soprintendenza per i Beni Archeologici della Toscana* on the island of Pianosa, jointly with NURC (NATO Underwater Research Center). An AUV (Autonomous Underwater Vehicle) was used to survey the submerged archaeological sites of the island. Period of operations: May 25-June 5, 2009. Scientific Director: Dr. Pamela Gambogi.
- 2008 Capraia Island (Tuscany, Italy). Field Representative (for ProMare) at the underwater archaeological campaign organized by the *Soprintendenza per i Beni Archeologici della Toscana* on the island of Capraia. Project was to verify the presence of a second-century B.C. shipwreck with a cargo of black-glazed pottery (Campanian A and B) in the area. Scientific Director: Dr. Pamela Gambogi.
- 2008 Elba Island (Tuscany, Italy). Field Representative (for ProMare) at the underwater archaeological campaign organized by the *Soprintendenza per i*

- Beni Archeologici della Toscana* on Elba Island, excavating a first century B.C. merchantman carrying ten *dolia*. Scientific Director: Dr. Pamela Gambogi.
- 2008 Ventotene Island (Latium, Italy). Field Representative (for ProMare) during the recovery, conservation, and restoration of a Roman marble statue found on the island's seafloor. Scientific Director: Dr. Annalisa Zarattini.
- 2006 Croton (Calabria, Italy). Field Director (for the Institute of Nautical Archaeology). Oversaw the "Western Greek Colonies Underwater Project," aimed at the study and virtual reconstruction of a third-century A.D. *navis lapidaria* shipwrecked in the area. This project was undertaken in partnership with the *Soprintendenza per i Beni Archeologici della Calabria*. Scientific Director: Dr. Annalisa Zarattini.
- 2006 Participant, Roman Maritime Concrete Study Project, Italy. Directors: Dr. John P. Oleson and Dr. Robert Hohlfelder. Cores of Roman concrete were drilled in *Portus Iulius'* harbor in Puteoli, and in Baia.
- 2005 Locri Epizephyri (Calabria, Italy). Field Director (for the Institute of Nautical Archaeology). Oversaw the "Locri Epizephyri II Research Project," aiming at creating an archaeological map of the submerged sites present in the area. Project undertaken in partnership with the *Soprintendenza per i Beni Archeologici della Calabria*. Scientific Director: Dr. Annalisa Zarattini.
- 2005 Amalfi (Naples, Italy). Director, on behalf of the *Institute of Nautical Archaeology*, of the "Amalfi Submerged Harbor Project," aiming at creating an archaeological map of the submerged sites present in the area. Project organized in partnership with the *Centro di Storia e Cultura Amalfitana*. Scientific Director: Prof. Giuseppe Gargano.
- 2005 Kizilburun Underwater Excavation, Turkey, directed by Dr. Deborah N. Carlson. Excavation of a first-century B.C. Roman *navis lapidaria*. Participant.
- 2005 Participant. Hollows of Euboea Underwater Survey, Greece. Deep-water survey for ancient shipwrecks. (Director: Dr. Shelley Wachsmann)
- 2004 Locri Epizephyri (Calabria, Italy). Field Director (for the Institute of Nautical Archaeology). Oversaw the "Locri Epizephyri I Research Project," aiming at creating an archaeological map of the submerged sites present in the area. Project organized in partnership with the *Soprintendenza per i Beni Archeologici della Calabria*. Scientific Director: Dr. Maria Teresa Iannelli.
- 2004 Mount Athos Underwater Survey, Greece. Deep-water survey for ancient shipwrecks. Participant (director: Dr. Shelley Wachsmann).
- 2003 Caulonia (Calabria, Italy). Director, on the behalf on the *Institute of Nautical Archaeology* of the underwater survey "Kaulon 2003 Project," aiming at creating an archaeological map of the submerged sites present in the area. Project conducted in partnership with the *Soprintendenza per i Beni Archeologici della Calabria*. Scientific Director: Dr. Maria Teresa Iannelli.

- 2002 Arade 1 Project, Portugal. Excavation of a sixteenth-century A.D. merchantman. Participant (Director: Dr. Filipe Vieira de Castro).
- 2000-2002 Vibo Valentia Underwater Survey, Italy. Survey for Greek and Roman shipwrecks and submerged remains. Participant. Scientific Director: Dr. Maria Teresa Iannelli.
- 1997 Survey from Capo Colonna to Le Castella, Italy. Terrestrial survey to collect and catalog pottery sherds and other visible archaeological remains in the *chora* of Croton. Participant (Directors: Dr. Roberto Spadea and Dr. Domenico Marino).
- 1996 Scolacium Forum Excavation, Italy. Excavation of the Greek and Roman city of Scolacium. Participant (Directors: Dr. Ermanno A. Arslan and Dr. Roberto Spadea).
- 1995 Survey from Capo Colonna to Le Castella, Italy. Terrestrial survey to collect and catalog pottery sherds and other visible archaeological remains in the *chora* of Croton. Participant (Directors: Dr. Roberto Spadea and Dr. Domenico Marino).

PAPERS DELIVERED AT INTERNATIONAL MEETINGS

Submerged Islands and Silted Harbors: New Evidence from the Sea of Croton, Italy; SHA 2011 Conference on Historical and Underwater Archaeology, Austin, USA (January 2011)

Excavation of a Roman Shipwreck off the Island of Capraia, Italy; SHA 2011 Conference on Historical and Underwater Archaeology, Austin, USA (January 2011)

Submerged Islands and Silted Harbors: New Evidence from the Sea of Croton, Italy; 111th AIA Annual Meeting, San Antonio, USA (January 2011).

Archeologia Costiera a Crotona: dalle Isole Pliniane alla Riscoperta del Porto Antico. Risultati delle Prospezioni Subacquee 2009-2010. Fourth National Meeting of Underwater Archaeology (AIASub). Genova, Italy (October 2010)

The Second-Century B.C. Shipwreck from Capraia, Italy. The 28th International Shipwreck Conference, Plymouth, UK. (February 2010).

Nuove Ricerche sui Relitti dei Marmi. Lecture given at Università Popolare Mediterranea di Crotona. Crotona, Italy (January 2010).

Marble Transport in the Time of the Severans: A New Analysis of the Punta Scifo A Shipwreck at Croton, Italy; 110th AIA Annual Meeting, Los Angeles, USA (January 2010). Paper accepted at the session of underwater archaeology organized by Prof. Robert Hohlfelder.

Quattro Stagioni di Ricerca Italo-Americana in Calabria: Prospezioni Subacquee a

Caulonia, Locri, Crotona (2003-2006); Regional Conference “Riflessioni sui Bronzi di Riace” organized by the Università della Calabria; Riace Marina, Italy (May 2009)
Il Trasporto del Marmo in Epoca Severiana: Una Nuova Analisi del Relitto di Punta Scifo A (Crotona, Italia); National Symposium hold at the Nautical Museum of Capo Colonna in Croton, Italy (May 2008).

The Trade of Marble in Roman Imperial Times: New Evidence from the Croton Shipwrecks (Italy); Institute of Nautical Archaeology Shipwreck Weekend, College Station, USA (March 2008).

The Trade of Marble in Roman Imperial Times: New Evidence from the Croton Shipwrecks (Italy); 109th AIA Annual Meeting, Chicago, USA (January 2008).

The Punta Scifo A marble Carrier: New Data and Reconstruction Hypotheses; First International Conference Archeomed, Castellammare di Stabia, Italy (November 29-December 1, 2007).

“*Navi di Pietra*”: *il Commercio Marittimo del Marmo nel Mondo Romano*; Terzo Convegno Nazionale di Archeologia Subacquea AIA Sub, Manfredonia, Italy (October 2007).

The INA Underwater Research in Magna Graecia: Past, Present, and Future, 2006 Conference sponsored by the European Union and Italian Fine Arts Bureau in Cropani Marina, Italy (July 2006).

Amalfi Submerged Harbor: Results of the 2005 Survey, 107th AIA Annual Meeting, Montréal, Canada. (January 2006).

Tectonic Movements and Submerged Harbors of Magna Graecia, 106th AIA Annual Meeting, Boston, MA. (January 2005).

LANGUAGES

Fluent in English; French; Italian.

Intermediate reading ability in Spanish; Portuguese.

Able to read and translate Ancient Greek and Latin.

TECHNICAL SKILLS

Applied Skills (beyond field work)

Compilation of Archaeological Reports; Management of Archaeological Data Records; Visual Presentations; Photography and Image Editing; Technical Drafting; 3-D Computer-Based Modeling and Virtual Rendering.

Computer Software

Operating Systems: Microsoft Windows XP/Vista/7, Apple Macintosh OS X, Linux Ubuntu 10.04; Graphic Image Manipulation Software: Adobe Photoshop, GIMP, Inkscape, Rhinoceros 3-D; Archaeological Mapping and Surveying Software: Photomodeler 4.0, Surfer 8.0; Office Productivity Software: Microsoft Office 2003/2007, OpenOffice 3.2, Adobe Acrobat PDF Maker; Bibliography: Endnotes.

CERTIFICATIONS

Diving: Scientific Diver of the American Association of Underwater Sciences (2004); NAUI Master Diver (2004); IDEA NITROX Diver (2004); NSS-CDS Cavern Diver (2004); FIAS Assistant Instructor (1997); FIAS Master Diver (1996); FIAS Advanced Diver (1995).

Other: Red Cross First Aid (2005); Red Cross CPR (2005); D.A.N. Oxygen First Aid (2005).

MEMBERSHIP IN PROFESSIONAL SOCIETIES

Archaeological Institute of America (AIA), Institute of Nautical Archaeology (INA), American Academy of Underwater Sciences (AAUS)
