

**Curriculum Vitae**  
Lindsey H. Thomas  
404-444-6649  
Lindsey@promare.org

**EDUCATION**

- M.A.** Anthropology with Nautical Archaeology focus at Texas A&M University  
**Thesis** *The A.J. Goddard: Reconstruction and Material Culture of a Klondike Gold Rush Sternwheeler*
- B. A.** Anthropology with Honors Distinction (May 2007), University of Georgia  
Magna cum laude
- B.A.** Honors Interdisciplinary Studies in Underwater Archaeology (May 2007),  
University of Georgia
- Certificate of Archaeological Science**  
**Honors Thesis** *A Study of Site Formation Processes for Wooden Shipwrecks in the Northwestern Hawaiian Islands.* (May 2007)

**RESEARCH INTERESTS**

19<sup>th</sup> Century Seafaring, Technological Developments, and Shipbuilding Techniques  
Medieval Seafaring and Shipbuilding Techniques, Viking Expansion and Shipbuilding  
Outreach and Education Initiatives in Underwater Archeology

**PROFESSIONAL ORGANIZATIONS**

- 2006 – Present Society for Historical Archaeology  
2008 – 2009 Archaeological Institute of America

**COLLEGIATE ORGANIZATIONS**

- 2007 Student Association for Archaeological Science  
2008 – 2011 Texas A&M Archaeological Diving Club, president 2009-2011

**Current Position**

2010-present Nautical Archaeologist for ProMare, Inc.

**SELECT RESEARCH EXPERIENCE**

- 2009-2011. Texas A&M University Nautical Archaeology Program.  
*Position:* Teaching Assistant to Dr. Filipe Castro, Fredrick R. Mayer Professor of Nautical Archaeology.
- 2009-2011. Institute of Nautical Archaeology.  
*Position:* Research Associate.
- 2009-2010. Shipwreck Excavation at Bajo de la Campana, Spain.  
*Position:* Field Technician and PhotoModeler Technician.
- 2009- 2010. Yukon River Survey Project at Lake Laberge and West Dawson, YT.  
*Position:* Project director of A.J. Goddard 2010 excavation. Field Technician during 2009 field season recording sternwheelers at Lake Laberge and West Dawson, YT.
2009. National Oceanic and Atmospheric Administration RULET Project.  
*Position:* Data technician, focused on compiling a database of potentially hazardous shipwrecks in the Gulf of Mexico.

- 2007-2008. *Monitor* National Marine Sanctuary and Mariner's Museum, Newport News, VA.  
*Position:* Education and Outreach Specialist and Lab Technician, focused on Education and Outreach Initiatives and photographing the USS *Monitor* artifact collection.
2007. Thunder Bay National Marine Sanctuary, Lake Huron.  
*Position:* Great Lakes Environmental Research Fellow, focused on survey and recording Great Lakes shipwrecks and education and outreach activities.
2006. Northwestern Hawaiian Islands Marine National Monument.  
*Position:* Hollings Scholar Intern, focused on recording NWHI shipwrecks.
2005. Underwater Archaeology Field School at Oakbank Crannog in Lock Tay with the Scottish Trust for Underwater Archaeology.  
*Position:* Student/Field Technician, focused on excavation of Crannog site.
2005. Terrestrial Field School with the University of Georgia.  
*Position:* Student/Field Technician, focused on Phase 3 Excavation of Monroe Site (9PM1428) in Putnam County, GA.
- 2005-2007. University of Georgia Archaeological Laboratory and Site File.  
*Position:* Lab Technician, focused on analysis and documentation of Swift Creek Site (9Bi3) lithic and ceramic analysis and site file database maintenance.

## **PUBLICATIONS**

### Monographs

2012 Thomas, L. *The A.J. Goddard: Reconstruction and Material Culture of a Klondike Gold Rush Sternwheeler*. Whitehorse: Yukon Government.

2012 Thomas, L., Davidge, D., and J. Pollack. *The A.J. Goddard: A Klondike Gold Rush Shipwreck*. Whitehorse: Yukon Government.

2012 Castro, F. and L. Thomas, editors. *ACUA Underwater Archaeology Proceedings 2011*. An Advisory Council on Underwater Archaeology Publication.

### Journal Articles

2012 Thomas, L., Swales, J., and D. Davidge. *Diving Through Time and Across Disciplines: The Northern Nature of Research and Interpretation of the A.J. Goddard Shipwreck*. *Alaskan Journal of Anthropology*, forthcoming December 2012.

2010 Thomas, L. *Historic Salvage on the Great Lakes*. *Inland Seas Quarterly Journal*, Fall 2010.

### Proceedings Articles

2010 Davidge, D., J. Pollack, D. Reid, L. Thomas, T. Dowd, and J. Delgado. *The Wreck of the A.J. Goddard*. *ACUA Underwater Archaeology Proceedings*, 183-191.

2010 Pollack, J., R. Woodward, R., L. Thomas and P. Helland. *Mapping Hull Construction Engineering on a Late Nineteenth-Century Yukon River Steamboat*. *ACUA Underwater Archaeology Proceedings*, 173-181.

2007 Thomas, L. *A Study of Site Formation Processes for Wooden Shipwrecks in the Northwestern Hawaiian Islands*. *ACUA Underwater Archaeology Proceedings*.

### Newsletter Articles

2010 Thomas, L. *Preserved in the Yukon: A.J. Goddard*. INA Quarterly, Fall 2010.

2010. Thomas, L. *A.J. Goddard 2010 Field Season*. CMAC News and Reports, Winter 2010.

2009. Thomas, L. *A Ghost of Our Past: A.J. Goddard*. INA Quarterly, Fall 2009.

### **PRESENTATIONS AT MEETINGS**

January 2012. Society for Historical Archaeology Annual Conference in Baltimore, MD.  
Paper: *The Stella 1 Shipwreck: A Roman Barge from the 1<sup>st</sup> Century AD*

March 2011. Alaskan Anthropological Association in Fairbanks, AK.  
Paper: *The A.J. Goddard: Construction Features and Artifacts of a Small Pre-fabricated Sternwheeler From the Klondike Gold Rush*

January 2011. Society for Historical Archaeology Annual Conference in Austin, TX.  
Paper: *The A.J. Goddard: Construction Features and Artifacts of a Small Pre-fabricated Sternwheeler From the Klondike Gold Rush*

January 2011. Society for Historical Archaeology Annual Conference in Austin, TX.  
Paper: *Utilizing BlueView Technologies' High-Resolution Multibeam Sonar BV5000 to Record the Steamship A.J. Goddard*  
Co-Presenter: R. Lee Thompson

January 2010. Society for Historical Archaeology Annual Conference in Amelia Is., FL.  
Paper: *The Effect of Ice on Shallow Water Shipwrecks in the Yukon Territory.*

January 2008. Society for Historical Archaeology Annual Conference in Albuquerque, NM  
Paper: *Identification of the Besser Bell Beach Wrecksite.*

January 2007. Society for Historical Archaeology Annual Conference in Williamsburg, VA  
Paper: *A Study of Site Formation Processes for Wooden Shipwrecks in the Northwestern Hawaiian Islands.*

April 2007. University of Georgia Center For Undergraduate Research Symposium in Athens, GA  
Paper: *A Study of Site Formation Processes for Wooden Shipwrecks in the Northwestern Hawaiian Islands*

August 2006. National Oceanic and Atmospheric Administration Hollings Scholar Conference in Washington, DC  
Paper: *A Study of Site Formation Processes for Wooden Shipwrecks in the Northwestern Hawaiian Islands*

### **MEETING SYMPOSIA CHAIRED**

January 2011. Society for Historical Archaeology Annual Conference in Austin, TX.  
Session: 2SYM-847a Underwater Archaeology in the New World (*in place of John Broadwater*)  
Co-Chair: Jessica Stika
